Fertikote: Coated, controlled-release fertilizer with essential trace elements tailored for crops. Safe polymer coating ensures uninterrupted nutrient release over 4 months.

High phosphorus content stimulates early root development and promotes establishment in the season.

Please contact your sales representative for specific product and application advice.

Store in unopened original packaging in a dry place protected from frost, heat or direct sunlight. Once opened reseal tightly and keep in a dry place.

Caution: Harmful if swallowed. Do not inhale. Keep out of reach of children.
