**Fertikote:** Coated, controlled-release fertilizer with essential trace elements for crops. Safe polymer coating ensures uninterrupted nutrient release for up to 4 months.

Integrated trace elements in NPK promote optimal root development, uniform plant growth, and enhance natural stress resistance.

**Please contact your sales representative for specific product and application advice.**

Store in unopened original packaging in a dry place protected from frost, heat or direct sunlight. Once opened reseal tightly and keep in a dry place.

**Caution:** Harmful if swallowed. Do not inhale. Keep out of reach of children.
